

The Connection

July 2023

LET'S GET ROLLING!

This week, we joined Mayor Wu to kick-off a summer initiative to provide bikes and bike instruction to children across the city. We are proud to partner with the City of Boston, **Neighborhood Villages** and **Bikes Not Bombs** to include 11 early education sites in order to get our youngest learners on balance bikes to build confidence and encourage a lifelong love of biking.

Special thanks to our friends at **REI** for helping us secure a fleet of perfectly tailored bikes to fit our toddler-aged participants!

TADPOLE 10 SUMMER SERIES IN FULL SWING WITH SPECIAL GUEST READERS

Thursdays have been busy at the TADpole Playground. Special thanks to our guest readers, **City Council President Ed Flynn** and **Kristin McSwain**, Senior Advisor and the Director of the Mayor's Office of Early Childhood. The children loved your stories!

The TADpole Ten Summer Series provides two hours of enrichment including stories, books, snacks, games, music, dance, magic, and lots more. Please visit our [website](#) for more information.

COMMUNITY IMPACT CONSULTANTS

We are pleased to announce the selections for the next round of our community impact consulting program. These three organizations will receive consulting services now until the end of December.

AUGUST ADVENTURES COMING SOON!

The promotional graphic for August Adventures 2023 is set within an orange rounded rectangle. At the top center is the Highland Street Foundation logo, which includes a blue arch and the text 'HIGHLAND STREET foundation'. To the right is a pink kite flying on a string. The word 'AUGUST' is written in large, bold, yellow capital letters. Overlaid on this is the word 'Adventures' in a red, cursive script font, and '2023' in blue, bold, sans-serif capital letters. Below this, a dark orange banner contains the text '31 Days • 31 Events • 100% FREE' in white, bold, sans-serif font. Underneath the banner is a white box with the text 'Visit HighlandStreet.org for the full calendar!' in blue, sans-serif font. At the bottom are icons for Instagram, Facebook, and Twitter.

Please **visit us** for more information on any of our programs.
