## Chihuly's "Through the Looking Glass" Featured at the MFA

The Highland Street Foundation is delighted to support *Chihuly: Through the Looking Glass* at the Museum of Fine Arts, Boston. Dale Chihuly's wondrous creations, on display in the MFA's beautiful new Art of the Americas wing, gives an international public the chance to experience the spectrum of his vibrant career.

This exhibition celebrates the remarkable career of an iconic glass artist at an important moment in the history of both contemporary glass and the Museum of Fine Arts, Boston. Dale Chihuly has described himself as "more choreographer than dancer, more supervisor than participant, more director than actor."
